Ask Me

[image]

"Ask me questions I guess.. I am being forc- " -Soviet

"Soviet is doing this by his own will!" -Jaydn

What do I think of Ireland?

[image]

"I guess I don't really mind him.. He is a good drinking companion and I admire his alcohol tolerance!" -Soviet

Who do I like?

[image]

"I don't really have eyes for anyone right now, but I have in the past.." -Soviet

Top or bottom?

[image]

"I HAVE BOTTOMED ONCE OKAY?!?" -Soviet

"Okay calm dow-" -Jaydn

"WHY ARE THEY BRINGING THIS UP?? WHO TOLD THEM?" -Soviet

It wasn't Finland btw

What do I think of them?

[image]

I don't really know many of them well, but I do know that Wales and England are extremely annoying; I don't mind Ireland and Scotland though; Germany is a good kid; the Nordics are dicks most of the time; and I don't know any others except Spain. He helped Third, so I kind of know him. Russia is my son, so I obviously know him though.

Bottom Part Two

Soviet: "Who did I bottom to? WHO DID I BOTTOM TO? WHY? DOES IT MATTER THAT MUCH? You know what? Fine. It was America. There. The whole FUCKING world knows now!"

Who do I hate?

[image]

Soviet: I honestly don't hate anyone, but almost everyone gets on my nerves. Wait, I remember.. BRITAIN! YOU TEA SIPPING PRICK!! OH THE THINGS I WOULD DO T-

Jaydn: SOVIET! STOP BEFORE HE OR AME HEAR YOU!!

Soviet: You know what? I don't care!! Britain is a tea sipping, good for nothing bitch. FIGHT ME.

East?

[image]

Soviet: I love him.. I raised him as one of my own. I do wish he would come back to visit us every once in a while, though.. After the Berlin Wall fell, he.. he left and I haven't seen him since. I hope he is doing alright.

East, if you are reading this, please come to visit.. We all miss you-

I'm sorry, East

I should have protected you better..

Please-

Come back..

Who do I like? Update-

[image]

Soviet: I might have found someone I really like. They are very nice and caring. They are cute and adorable. They might just be my everything. You may guess who it is.

My Life in One Word..

[image]

Soviet: Deceitful..

Admin: Yeah, I agree. Deceitful..

Chi..

[image]

Soviet: I like your name. It is very simple but elegant.. like a flower drifting through the air with a breeze pushing it.

Admin: I agree with Sovi!

Soviet: I hope you like how I depicted it..

Jazz?

[image]

Soviet: I know that meme.. but yes, I do like to listen to jazz on occasion. It tends to calm me down if I'm mad..

Admin: I think it was just a joke, Sovi..

Soviet: Oh well.. sorry?

Hot? Me??

[image]

Soviet: I-i fuc- uh.. Thank you? I don't consider myself hot so.. I, no one has really ever called me hot before.. besides that cyka Amerika.. and my current love.. I'm not hot.. I'm a horrible person actually.. I mean I was..

sorry..

Admin: Sov, don't be sorry.. please?

Russian Empire..

[image]

Soviet: He was my father.. he didn't treat me well, but I-i should love him, right? I was never good enough for him.. never.. He didn't love me.. did he? No, I was just a slave.. even though I was his blood.. just a slave to do his work.. I-i was nothing to him..

..nothing

Romania..

[image]

Soviet: I'm sorry.. I was never my true self back then.. I was blinded by power and influenced by my horrible leaders..

It is okay that you don't forgive me.. I don't expect anyone to forgive me.. I mean, after all, I am a horrible person, right?

I am sorry. You don't need to forgive me.. I just need to apologize to anyone I have hurt in the past..

I am sorry to you and anyone else I might have hurt in the past.

No one is obligated to forgive me..

I don't expect you to..

I'm sorry..

Vibes~

[image]

Soviet: No one is allowed to steal my vibes. TAKING ONE'S VIBES IS NOT A VIBE!

Admin: NOT A VIBE!!

Soviet: If you try.. you might DIE..

Allies and Axis

[image]

Soviet: I was a part of the Allies during World War II because my leaders advised me to..

I didn't agree with Britain on most things, and we argued quite a bit.. We tended to get into heated arguements that eventually led to us leaving the room and.. fixing.. the issue elsewhere.. iykyk..

America and I had similar attitudes toward the war.. but we still clashed from time to time.. He would never give me a chance to speak which irritated me.. even though I didn't really want to speak a whole lot..

I didn't really have any problems with the other Allies mainly because I wasn't around them quite as often.

The Axis were a funny group..

Third was a horrible man, but.. I.. he.. he tricked me into thinking he really liked me.. I was a fool to love him..

Fc. Italy was a coward.. he switched sides because he the Axis were losing! I didn't mind his personality.. I just could not believe that he would pull such a stupid move.. in the middle of a war..

Im. Japan was a fool.. he bombed America.. AMERICA of all people!! He was stupid to think America wouldn't take action against that! I do admire his guts to do that though..

Switzerland..

[image] [image]

Soviet: I-i'm sorry.. I am not the person I used to be anymore.. I'm trying to change and be a better person.

I know I was horrible in the past, but I was being influenced by my leaders.

I am a changed man. I'm trying to be nicer to everyone, and I don't expect anyone to forgive me.. but I am sorry.

Very sorry..

A brother?

[image] [image]

Soviet: I mean.. If I have a brother, I would have found out about him by now, right?

Also.. WHY THE F-CK WOULD YOU DATE MY FATHER??

America!! We had a relationship at one point, too! You f-cked my dad, then me?

How am I?

[image] [image]

Soviet: I am doing alright right now. Thank you for asking!

Buy America?

Soviet: I am not rich enough to "buy" America. If he would at least listen to my ideals, I might be able to convert him to communism, but no, I cannot buy him.

Poems?

[image]

Soviet: I do like to read poems from time to time.. They help to calm me down if I'm irritated. I like the complex emotions that they posess.

My Relationship with Reich..

[image]

Soviet: Third had a.. colorful personality.. He had many beliefs that he held secret. I don't know if he actually had feelings for me.. but he made me feel things for him. I was a fool to think he would ever think anything of me.. but.. I did.

I should have never believed a word he said.

I was lost.

He made me feel like I was nothing without him. He would hurt me if I did or said anything wrong.

W-when he broke our pact.. he made me look like the bad guy.

I-it was.. an abusive relationship.

The Nasty?

[image]

Soviet: Uh.. maybe like 20 times? I don't count them!

..some I didn't give consent..

1k!!

[image]

Admin: Thank you all so much for 1k on this book!! I really appreciate it!

Soviet: Yeah! Thanks for making me expose myself like this..

Admin: UNION OF SOVIET SOCIALIST REPUBLICS!! You better be more grateful!

Soviet: T h a n k s..

Onions?

[image]

Soviet: I don't mind onions.. they are a good spice. I don't want you to put onions with vodka.. it would ruin the vodka. I will take the vodka if you are offering it..

I do get the joke. "Soviet Onion"

Mental Illness?

[image]

Soviet: I know I have PTSD, OCD, anxiety, and an eating disorder. Those are the ones that I know about. I might also have borderline depression..

Kvass or Vodka?

Soviet: Vodka is 100x better, hands down.

If you take his vodka?

[image]

Soviet: I don't care.. there are other things that you could take that I would kill you for.. but I can buy more vodka..

My Favorite Child

Soviet: I guess Russia is my favorite.. after all of the things I have done to him and his siblings, he still loves me..

Guilt

[image]

Soviet: I do feel bad for how I have treated people in the past.. I am not the man I used to be.

I do feel bad about what my leaders did, too. I was forced to listen to them and do what they thought was good.

I wish my government had treated people better and I wish I had too..

The guilt is what keeps me up at night..

6.9k???

[image]

Admin: Hello! I know I haven't been active like at all over the past few months, but I just wanted to thank everyone for getting this wreck of a book to 6.9k.

I grew more distant from the fandom around the time when the Poland balls fandom were said to raid the countryhumans fandom. I unpublished this book when that was happening, but then republished it a while after.

I still like the fandom and want to be a part of it, but I can't find the motivation or time to update anymore. Although I might try to update this book, it will probably be extremely sporadic.

I have recently been very intrigued in the DreamSMP storyline and fandom, so if I can find the time, I might start a book on that fandom.

So, thank you to everyone who has supported me on this book and asked questions on it. I will not leave the fandom, but as I stated before, my appearances will be greatly diminished.

-Jaydn
